

Creative freedom in a powerful mobile studio

Designed to give you the freedom to create anywhere Wacom MobileStudio Pro packs a whole studio of creative tools into a lightweight mobile pen computer featuring the new Wacom Pro Pen 2. Move seamlessly through your workflow from 2D to 3D wherever you want to create.

Live. Dare. Create.

The power to run the biggest projects

Created to handle serious workloads, Wacom MobileStudio Pro is powered by a full-featured, Windows 10 computer, capable of running professional creative 2D, 3D and CAD applications. Choose up to 16GB of RAM, an Intel® Core™ i7 processor and NVIDIA® Quadro™ graphics – and up to 512GB of storage. The Wacom Pro Pen 2 is more sensitive, accurate and responsive than any pen we've ever made.

Feel and see the difference on-screen

With a resolution of up to 4K and color accuracy up to 96% of Adobe® RGB, you'll see every pica, pixel or polygon in perfect detail. The new etched glass surface provides the right amount of resistance to recreate the familiar feel and control of pen on paper.

3D ready

Select models include built-in Intel® 3D RealSense™ camera and scanning software – perfect for product designers, CAD engineers and 3D sculptors who want to capture real world objects as part of their creative process.

Key features:

- Wacom Pro Pen 2, natural feel with pinpoint accuracy.
- Heavyweight power, lightweight body in an elegant, slim design.
- Life-like color and up to 4K resolution for a brilliant creative experience.
- Intel® 3D RealSense™ camera is perfect for product designers, CAD engineers and 3D sculptors.
- Wacom Stand* lets you move between three comfortable working positions and folds flat for travel.
- Customizable ExpressKeys™, radial menus and multi-touch control provide simple time-saving shortcuts.
- The Wacom Wireless Keyboard* is the perfect mobile accessory to use with your favorite creative and office applications.
- Wacom Link* allows you to attach your Wacom Mobile Studio Pro to another Mac or PC so that you can use it as a standard Cintiq.
